Craft Techniques

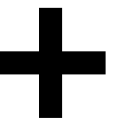

Research
How much is
enough?

– Intuition and Research

Structure

- Learning from the masters...
- What are you making?
What is the structure?
- What are the motifs of your choice?

moment...*

Character

What is the character of our characters?

Who will I meet today?

Allowing our characters to make choices as the draft develops...

Intent and Stance

Time

- Employ time skillfully in the creative work.
- The reader should always be able to answer the question...

...where am I in the story?

First Reader...

Gratitude for the craft and process!
