Zoom Whiteboard

LIVE VISUAL & INTERACTIVE TEACHING
Draw diagrams, illustrate complex concepts, and engage your students visually and interactively.

SEAMLESS CONTENT PRESERVATION
Everything you create on Zoom's whiteboard can be effortlessly uploaded to your Canvas Course.

BENEFITS
Makes the transition from live teaching to asynchronous teaching smooth and efficient.

Panopto Video Integration

RECORDING LECTURES

With Panopto, you can record your lectures, whether you're teaching in person or remotely.

SHARING WITH STUDENTS

You can share your lecture videos through your learning management system, email, or other communication channels.

BENEFITS

Building a Comprehensive Video based Library

Accessibility Checker

WHY ACCESSIBILITY MATTERS

Accessibility is not just a legal requirement; it's a fundamental principle of inclusive education.

ACCESSIBILITY CHECKER

The Accessibility Checker in Canvas is user-friendly and easy to use.

ACCESSIBILITY STANDARDS

The Accessibility Checker in Canvas can help you align your course materials with accessibility standards like WCAG.

Delayed Annoucements

SCHEDULED ANNOUNCEMENTS
Canvas goes a step further by allowing you to schedule announcements.

IMPORTANCE OF TIMELY INFORMATION
Timely information is essential for student success.

BENEFITS OF SCHEDULED RELEASES
It helps us in managing course materials effectively.
